

Saiber LLC Celebrates 75th Anniversary – Launches 75 Acts of Kindness Endeavor

February 13, 2025

In April 2025, Saiber LLC will proudly celebrate 75 years of delivering exceptional legal services to the New Jersey community. Throughout our history, we have remained deeply connected to and grateful for the communities where we live and work. To honor this milestone and give back to the place we proudly call home, we are launching a special initiative: "75 for 75."

Through the 75 for 75 initiative, Saiber and our employees will complete 75 acts of community service as a way to show our appreciation for the support we've received over the decades. These acts of service will include:

- Volunteering at food pantries;
- Donating blood;
- Supporting animal shelters;
- Participating in community clean-ups; and
- Hosting coat drives and back-to-school drives, to name a few.

Beyond these efforts, we are partnering with local nonprofits, schools, and civic organizations to expand our impact. By working together, we can ensure that these acts of kindness create lasting positive change in our communities.

We will highlight our employees' individual contributions on a dedicated section of our website, showcasing their commitment to making a difference. Their stories will reflect the core values of Saiber and serve as an inspiration for others.

We believe in the power of service and hope that our efforts will inspire others to give back as well. We are grateful for the trust and support we have received over the years, and this is our way of saying **thank you**. Stay tuned for updates on our progress throughout the year, and join us in making a meaningful impact! If you'd like to get involved or learn more, please visit our website or contact us directly.
