

The Impact of the FTC's Non-Compete Ban on M&A

August 19, 2024

Much discussion has been had over the Federal Trade Commission's decision to ban non-compete clauses. As we all know, this will impact the employee/employer relationship dramatically. However, how will this affect the potential acquisition of a business? Will this have an impact on venture capital firms from making certain investments? Corporate law attorney Pooja Patel explores this, and more, in the latest episode of the Garden State Law Podcast.
